EDUCATION

University of Texas at Austin **Austin, TX**
B.A. in Design and B.S. in Informatics Expected Grad: May 2029

- **Certificates & Focus:** Pursuing Programming and Computation Certificate

EXPERIENCE

Lead Product UI Designer **Austin, TX**
Texas Advanced Computing Center (TACC) May 2026 – Present

- Architected 15+ interactive UI components for a science exhibit with Figma Make and Claude Code, cutting layout time by 40%.
- Building functional front-end exhibit prototypes in HTML/CSS and Python to test component responsiveness across 3 displays.
- Facilitated immersive VR/AR workshops for 10+ educators, synthesizing 50+ qualitative user feedback entries.

UX/UI Design Contractor (Forge) **Austin, TX**
TX Convergent – Client: Healthpeak Sep 2026 – Present

- Architecting low-fidelity wireframes and user flows for a legal invoicing tool tracking 100+ engagements as Matters.
- Mapped end-to-end user journeys across 4 core operational modules, streamlining touch points for 3 distinct stakeholder personas.
- Conducted 8+ iterative design reviews with 5 cross-functional teammates to refine dashboard information architecture.

Product Designer (Build Team) **Austin, TX**
TX Convergent Sep 2025 – May 2026

- Collaborated directly with 5+ developers and PMs to incubate and ship scalable, user-centered digital products.
- Standardized a comprehensive multi-component Figma UI kit, boosting design-to-code velocity by 25%.
- Executed user research synthesis and wireframing for client projects while ensuring 100% technical feasibility.

Spatial Interface Designer **Austin, TX**
Texas Immersive Institute Jan 2026 – Present

- Translated research synthesis into spatial UI workflows, deploying interactive 3D computing experiences for 100+ visitors.
- Spearheaded user onboarding flows for an interactive AR/MR campaign, driving a 35% increase in overall engagement.
- Conducted hands-on usability tests with 15 users, refining spatial interaction patterns to reduce navigation errors by 30%.

Product Design Intern **Austin, TX**
TyRex Group LTD Jun 2024 – Jul 2024

- Prototyped and 3D printed 4 sustainable lotion bottle models to reduce residual packaging material waste by 15%.
- Evaluated generative AI integration in early product cycles by engineering 20+ prompt workflows in Cosmic AI.
- Presented finalized 3D product models and key environmental viability reports directly to 3 senior company executives.

LEADERSHIP & COMMUNITY

Build Master (Design & Emerging Tech) **Remote**
NextWork Jul 2026 – Present

- Completed facilitator leadership training and directed technical build sessions for a cohort of 25+ active learners.
- Led 10+ end-to-end technical sprint projects to guide cohort participants through builds.
- Authored 5+ technical projects focusing on AI-driven design, website creation, and rapid prototyping workflows.

VR Installation Operations Assistant **Austin, TX**
South by Southwest (SXSW) Mar 2026

- Managed setup, live calibration, and hardware troubleshooting for an interactive VR installation serving 150+ daily visitors.
- Guided festival attendees through immersive hardware controls, resolving technical bottlenecks to maintain maximum exhibit throughput.
- Synthesized qualitative user feedback and identified 8+ core interaction friction points to report directly to exhibit creators.

Volunteer Event Coordinator **Austin, TX**
Habitat for Humanity Feb 2024 – Jul 2024

- Organized an art auction featuring 17 original paintings, successfully raising $700+ for the Habitat Community.
- Dedicated 30+ hours to physical home construction and ReStore merchandise organization to support community housing programs.

SKILLS & CERTIFICATIONS

- **Design Methods:** Product Design, UX/UI Design, User Research, Wireframing, Rapid Prototyping, Usability Testing.
- **Design Tools:** Figma, Figma Make, Adobe Creative Suite (Illustrator, Photoshop, InDesign), Sketch.
- **Technical Stack:** HTML/CSS, JavaScript, Python, Claude Code, Generative AI Tooling, 3D Printing / CAD.
- **Certifications:** Adobe Certified Professional in Adobe Illustrator and Adobe Photoshop.
